LUXURY FEEL 60'S POP GLAMOUR

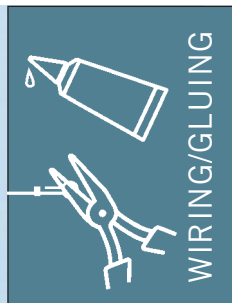

Just thinking of the Art Déco District brings to mind iconic images of futuristic 60's and the stars relaxing under palm trees. Add a touch of jetset-glamour wearing white sunglasses with pieces of crystal by CREATE your STYLE™ with CRYSTALLIZED™ – Swarovski Elements.

The black and white sunglass-chain turns into the most astonishing accessory serving as a piece of versatile jewellery. Worn short in length of a collier or long as a Pendant chain the ring clasp attached carries the sunglasses – ready to hide your eyes.

FUTURISTIC LOOK ADORNMENT GRAPHICAL CRYSTAL

Jewellery is a state of mind – expressed by the simple yet complex necklace in bib-design. The piece of perfection is simple in technique: squares of crystal varying in size by CREATE your STYLE™ with

CRYSTALLIZED™ – Swarovski Elements softly graduate from black to white. In faceted straightness they form a graphical grid structure dedicated to an urban architectural impression of edgy elegance.

GRACE
ABUNDANCE
COOLNESS

Summer is the time to reveal glorious opulence. The nowhere-to-hide Summer Grace Charm-bracelet by CREATE your STYLE™ with CRYSTALLIZED™ – Swarovski Elements is the perfect companion to flatter your look and enhance the grace of your arm movement.

Big Sew-on Stones in white and silver shade are aligned to a streamlined graphical structure. The attached dangling bows of jumping-chain with a dense trimming of small pendants drop down like little water drops in accentuated mint and rose. Embrace the joyful splendor of summertime.
